ACCESS TO CLUBHOUSE

WTC SOCIAL DIARY... QUIZ NIGHT GOES THE WHOLE HOG!

LADIES WANTED!

Would you like to play more social tennis? There is a group of ladies that play every Wednesday morning at 10.45am who are quite often short of a player or two. If you would like to join them and either play regularly or just fill in now and then please call Jacky Gregory on 01489 885491.

Following a number of requests to provide access to the toilets for families with young children and social players, the question of restricted access to the Clubhouse and toilet facilities has been further discussed by the committee who recognise that the current situation of only committee members, team captains and club-night duty members holding keys is not ideal. Consequently, a feasibility study of the options available is currently being carried out, but any solution must not conflict with fire regulations nor compromise our security and insurance policy. Once all options have been fully evaluated and a way ahead agreed, further information will be provided to all club members as soon as possible.

Sixty-three aspiring egg heads pitted their wits against each other at our WTC Quiz night. Kevin, the quizmaster, had his usual mix of intriguing and diverse questions from all fields of interest and the overall winners were 'The Avengers' with their not so secret weapon, Karen (Quiz Queen) Harrison at the helm once again. Our thanks go to Jeff from 'Doing the Rounds' for the fabulous Hog Roast and desserts and for doing the washing up so Julie didn't have to! The evening raised £300 for club funds, with £200 from the raffle alone so a big thank you to Helen for getting all the great prizes and to all involved with the night.
